NYCOLE WALSH

Austin, Texas | (817) 584-1027 | nycole.walsh@gmail.com | Linkedin.com/in/nycole-walsh

SUMMARY

Agile learner, natural leader and problem solver back from parental leave and excited to hit the ground running. Demonstrated ability to collaborate with a team, solve problems creatively, interface closely with clients, manage time independently and maintain high standards in a fast-paced environment through five years as a registered nurse in acute settings. Ready to transition those same skills to the world of front end web development.

PROFESSIONAL EXPERIENCE

2012 – 2014

Registered Nurse, Methodist Hospital, San Antonio, Texas
- Improved outcomes for patients with high neurological and neurosurgical acuity

2009 – 2012
